

## Press release

### Mullerthal Trail Season Opening 2019 in Consdorf

The guided hikes start at three different points at 9 o'clock on Sunday 5 May 2019. All routes lead integrally over the Mullerthal Trail to Camping La Pinède in Consdorf. It is also possible to hike without a guide.

The following tours will be offered:

**Junglinster-Consdorf** Start is at the church in Junglinster. Parking spots are situated next to the commune and the school. The highlights of the 17.4 km hike which stretches over Blumenthal, are Kallektuffquell, Schiessentümpel and Goldfralee.

**Beaufort Consdorf.** Start is at the castles of Beaufort or at the youth hostel. Parking is available on both spots. The route is 12.5 km long and leads over the picturesque Haupeschaach and Halerbaach via Heringer Millen to Consdorf.

The tour **Bech-Consdorf** can be called the family route. Parking is available at the starting point Becher Gare. The absolute highlight of the 7.6 km long route is the sinister crevice Kuelscheier.

There will be a pit stop at Touristcenter Heringer Millen in Mullerthal with food and drinks for those hikers starting from Beaufort or Junglinster.

When the first hikers arrive in Consdorf around noon, an entertainment program awaits them with many highlights: bouncy castle, games, a playground and horse-drawn carriage by the Nature and Forest Administration. A geological hike is scheduled from 14.30 clock from Consdorf. The local clubs from Consdorf ensure the well-being of the guests. Different stands offer local products and information on the natural and tourist attractions of the area will be given.

Shuttle buses take the hikers back to their starting points from 1 pm on.

To register in advance with the tourist office of the Mullerthal Region - Luxembourg's Little Switzerland with indication of the desired hiking route is requested.

The whole hiking offer as well as the shuttle buses and the entertainment are free of charge.
